Our Website is Live!

In record time, our website developer, Paklogics, created a website for us in time to host our first online event with the Veteran’s Experience Office of the Department of Veterans Affairs. We are thrilled with how this turned out, and we are

confident the resources on this site will help veterans and their families both nationally and in our home state of Nevada! For those individuals and entities that wish to assist Patriot Connection Services (PCS) with our mission, please visit us at

patriotconnections-services.org and send us your willingness and interest to volunteer or donate what you can to help us. To all the veterans that will visit our site, we welcome you and any input you have to improve our services.

Virtual Event for Nevada

We are honored to be partnering with the Department of Veterans Affairs, Veteran’s Experience Office to host an event online February 20, 21,

and 22, 2024 from 9 AM (0900) to 2 PM (1400) PST. Our Board Directors and Officers will be standing by to help veterans and their families find the resources

they need to learn about PCS and access their entitled benefits.

Our Mission:
To be a comprehensive online platform offering valuable resources, personalized assistance, and community engagement for current and future veterans and their families to access and maximize their entitled benefits.

Founder's Program

Patriot Connection Services is providing the 1st 100 donors who donate \$100 or more a special one-time printing of our Founder's Coin. We appreciate all of the generosity the community provides, and we will ensure all proceeds go towards supporting our program operations and veteran event sponsorships.

Black History Month

At Patriot Connection Services, we strive to provide comprehensive and tailored support to Black veterans and their families, acknowledging the unique experiences they may face. Through our programs and initiatives, we aim to bridge gaps, promote inclusivity, and create a platform for these heroes to thrive post-service. Our commitment to supporting

Black veterans goes beyond a mere acknowledgment; it is a dedication to ensuring that their stories, triumphs, and challenges are heard, respected, and celebrated. These brave men and women have played an integral role in shaping the tapestry of our nation's history, and their legacy continues to inspire us today.
